HAMPSHIRE BOOKSHOP spot announcement, WCSR

Here's a fine chance to get cash for your second-hand textbooks. The Hampshire Bookshop will purchase second-hand textbooks at the shop May 23th through Commencement.

The Bookshop will buy any textbook, except paper bound volumes, but the highest prices are paid for clean books which will be required next year.

And while you're in the Bookshop selling your texts, remember that springtime means gift-time, and pick out that wedding, shower, or graduation present from THE HAMPSHIRE BOOKSHOP'S large stock of silver, glass, china, copper, brass, leather, prints and books.
